**Purpose:** ESSB 5290 (Chapter 282, Laws of 2007) established the Industrial Insurance Chiropractic Advisory Committee to advise the department on chiropractic issues to assure workers receive safe, effective treatment in a cost effective manner. The rule specifies how the committee will work administratively and how it will interact with the other agency advisory committees. This rulemaking also amends WACs to update references to the department's advisory committees.

**Other authority :**

**PERMANENT RULE ONLY (Including Expedited Rule Making)**

Adopted under notice filed as WSR 07-15-075 on July 17, 2007.

Describe any changes other than editing from proposed to adopted version: Three words were added to the rule: "to practice chiropractic." The new phrase is the committee is composed of up to nine members licensed "to practice chiropractic" in Washington. The added words make it clear that committee members must be chiropractors, which is required by statute, so this is simply a clarifying change only.

**EMERGENCY RULE ONLY**

Under RCW 34.05.350 the agency for good cause finds:

- ☐ That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- ☐ That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
